

Virginia Beach permits, September 3–October 3, 2026

Public notice. Virginia Beach's permit-applications file has no issue date from September 27, 2026, through October 3, 2026. The newest issue date in the file is September 13, 2026. From September 3, 2026, through October 3, 2026, the file lists 688 rows with an issue date. The largest permit types in that span were building (164), mechanical (122), electrical (98), plumbing (88), and moving and hauling (74). Those five groups are 546 of the 688. This notice does not list a street address or a permit number. Check Virginia Beach's own copy before you rely on a permit.
