

Bellingham permits, September 27–October 3, 2026

Public notice. Bellingham's public permits map lists 116 permits with an issued date from September 27, 2026, through October 3, 2026. The newest issued date in that set is October 1, 2026. The largest permit types were electrical for a single-family home or duplex (30), mechanical (18), electrical for nonresidential or multifamily (14), utilities franchise (10), and fire protection systems (7). The map returned 23 permit types in this window. This notice does not list a street address or a permit number. Check Bellingham's own copy before you rely on a permit.
