

Pierce County permits, September 27–October 3, 2026

Public notice. Pierce County's public permits layer lists 146 permits with an issued date from September 27, 2026, through October 3, 2026. The newest issued date in that set is September 30, 2026. The largest application types were construction residential (39), mechanical (33), plumbing (17), construction commercial (10), and site development residential (8). The layer returned 23 application types in this window. This notice is the county file, not a City of Tacoma count. It does not list a street address. Check Pierce County's own copy before you rely on a permit.
