

Pierce County building permits, September 28–October 4, 2026

Public notice. Pierce County's public permit map service lists 146 building permits with an issue date from September 28, 2026, through October 4, 2026.

The newest issue date in that set is September 30, 2026. This is a countywide count only.

It does not list a street address, a permit number, or a contractor. Check the county's own copy before you rely on a permit.
